

Yosemite Veterans Climbing Program

September 9th-12th, 2018

OVERVIEW

This event is a no-cost to participant, adaptive climbing event, focused on giving the tools, resources and education to either disabled veterans or civilians. This event is to be held in Yosemite Valley, CA on Sept 9th-12th, 2018. This event is sponsored by Paradox Sports, Yosemite National Park and Sierra Mountain Guides.

SPECIFICS

We are an all-volunteer organized event that is working with Paradox Sports, Yosemite National Park and Sierra Mountain Guides. Yosemite National Park has granted permission for Paradox Sports and Sierra Mountain Guides to run this event within the Park. Paradox Sports will be covering in-camp liability coverage and Sierra Mountain Guides will be facilitating the technical rock guiding and liability coverage during climbing outings. This event is at no cost to participants and we are seeking participants living within driving distance of Yosemite National Park.

Assistance with travel costs can be provided. All lodging, food and technical climbing equipment will be provided. Participants may bring guests, helpers or family but space is limited and guests will need approval. Currently, we have no limitations regarding disabilities. An event EMT will be on duty for the duration of the event. Interested participants may apply online at
